Rules & Regulations

- All students must complete the registration form and submit required documents before beginning the course.
- Registration is confirmed only upon payment of the registration fee and submission of a signed agreement.
- The course fee is non-refundable once the program has commenced.
- Students opting for the instalment plan must adhere to the agreed payment schedule to maintain access to course materials and mentorship.

Scholarship & Discount Conditions

- Only one scholarship or discount can be applied per student.
- Discounts cannot be combined. Students must choose the highest eligible discount (e.g., either Early Bird Discount or Full Payment Discount).
- Early Bird Discount is valid only if full payment is made before the deadline.
- Group Discounts apply when three or more students register and pay together.
- Merit/Need-based Grants are awarded based on a formal application, academic background (e.g., holding a degree), and an interview. Submitting proof of a degree increases eligibility but does not guarantee approval.
- All scholarships and discounts are subject to seat availability and approval by the admissions committee.

Attendance & Participation

- A minimum of 80% attendance is required to qualify for certification.
- Participation in all practical labs, capstone project, and assessments is mandatory.
- Absenteeism without valid reason may lead to removal from the course or disqualification from receiving a certificate.

Certification Requirements

- Completion of all 10 modules, project submissions, and final evaluations is required for certification.
- The Institute of Developers Stack reserves the right to withhold certification from students who do not meet the academic or conduct criteria.

Payment Terms

All payments should be made to Seekers Cloud (PVT) Ltd. Payments can be completed via bank transfer, online payment portal, or in-person at our office. Failure to complete the payment within the stipulated timeframe will result in the suspension of registration.

Terms and Conditions

1. Fees are non-refundable and subject to change at the discretion of Seekers Cloud (PVT) Ltd.
2. Seekers Cloud (PVT) Ltd reserves the right to terminate registration due to non-compliance with guidelines.
3. All financial matters will be managed exclusively by Seekers Cloud (PVT) Ltd.

Payment Bank Details and How to Pay

Once a tuition teacher is selected to join the Future Bound platform, detailed bank account information and payment instructions will be provided. Payment must be completed within the specified timeframe to ensure successful registration and participation in the platform.

Payment Process:

1. The selected student will receive an official email or WhatsApp message with bank details and payment instructions.
2. Payments can be made via bank transfer, online payment portal, or in-person at our office.
3. After making the payment, a receipt must be sent to finance@developersstack.com for verification or submitted to the designated coordinator via their preferred communication platform.

For any inquiries related to payments, please contact our finance team at finance@developersstack.com.

Refund Policy

Refunds are **not available** under any circumstances.

Support & Assistance

For any support regarding the registration or payment process, please contact our customer service team at support@developersstack.com. We are here to assist you with any inquiries or technical issues you may face.

Important Dates/Deadlines

1. Registration for the MERN Stack Developer Certificate Program will close on 31st March 2025 or earlier if seats are filled before the deadline.
2. The new academic session officially begins on 24th May 2025.
3. Students who miss the registration deadline may not be eligible for enrolment in the upcoming batch.

Privacy & Security

At the Institute of Developers Stack, we are committed to safeguarding the personal information and academic records of all our students and applicants.

1. **Data Protection:** All personal details, documents, and payment information submitted during registration are securely stored and used solely for enrolment, academic, and administrative purposes.
2. **Confidentiality:** Student data will not be shared with third parties without prior consent, unless required by law.
3. **Secure Payments:** All transactions are processed through secure banking channels. Bank details are only shared through official email or verified WhatsApp communication.
4. **Platform Access:** Login credentials and learning platform access are strictly individual. Sharing access with others is a violation of policy and may result in termination of access.

Sincerely,

Supipi Piyumika
